[this is where our bread and body books come from]

There was a woman who worried about how long she would live, not only did she worry about it but she dwelled on it. God saw how much this was troubling her so he came down to speak to her about it. He told her not to worry; she would live at least 40 more years.

She then went to a plastic surgeon and had everything redone, her nose, tummy tuck, lips and etc.

A week later she was walking down the road and was hit by a car, she died instantly. When she appeared before God, she said, "I thought you said I had at least 40 more years to live?"

God replied, "Oh, I didn't recognize you!"

We are all brothers and sisters in Christ. We are all bound together by God. We are all one family! Therefore, we all should help keep God's house running smoothly.

If several people helped out doing a small things....

1. Wash the small altar clothes used during Mass— hand towels, corporals, and purificators. This can be done at your convenience at home with special instructions. This would need to be done once a week to once every two weeks.

2. Iron the cloths mentioned above. Again, this can be done at your convenience at home. This would need to be done once or twice a month.

3. Water inside and out. This needs to be done once a week when it doesn't rain.

4. Set up for Thursday's Mass.

5. Vacuum the church. Once a week or once every two weeks. [we can switch out weeks]

The smallest action, done with love, is more important than great deeds done for personal glory, gratification or simply out of obedience.
