This week's Featured Lighthouse CD is Contemporary Sainthood double feature by Mark Hart. In this incredible double feature, Mark Hart illuminates what it means seek sanctity in the 21st century. In the first presentation, Mark discusses unleashing the power of the Holy Spirit and becoming who we are meant to be: saints. In the second presentation, Mark talks about the dangers of putting human expectations on our supreme God. These two talks will be sure to jump start your spiritual life and shed some light on what it means to be a contemporary saint.

In the first talk Mark brought out that we are all called to be saints which I knew. But he took God's calling a step further. This talk reminded me that saints are like us, some even worse, but I can be a saint. This talk helps open the path to sainthood.

The second talk I never really thought of. I didn't think I put expectations on God, I always thought I excepted God's will. But as I listened to the talk I realized without knowing it I expected things from God for my life, both spiritual and human. I now have a different way of putting my trust and expectations in God with my marriage and my children. I really enjoyed this eye opener talk.

YOU WASH THE DISHES, MOW THE LAWN, TAKE OUT THE TRASH. . . . OFFER EACH TASK TO GOD FOR A PERSON OR INTENTION. IN THIS WAY WE TRANSFORM ALL OF LIFE INTO PRAYER.

The Fortnight for Freedom: Freedom to Bear Witness will take place from June 21 to July 4, 2015, a time when our liturgical calendar celebrates a series of great martyrs who remained faithful in the face of persecution by political power—St. Thomas More and St. John Fisher, St. John the Baptist, SS. Peter and Paul, and the First Martyrs of the Church of Rome. The theme of this year's Fortnight will focus on the "freedom to bear witness" to the truth of the Gospel.

Jesus to St Faustina about receiving Holy Communion.

I desire to unite Myself with human souls; My great delight is to unite Myself with souls. Know, My daughter, that when I come to a human heart in Holy Communion, My hands are full of all kinds of graces which I want to give to the soul. But souls do not even pay any attention to Me; they leave Me to Myself and busy themselves with other things. Oh, how sad I am that souls do not recognize Love!). They treat me as a dead object [Diary 1385]

My prayer Response:
Lord Jesus, I desire to unite myself with You in every Holy Communion and receive all Your graces with fervor. I want to be attentive to You. May my fervor compensate for those who treat You as a dead object!

ATTENTION PARENTS

Find out if your child is playing the game Charlie Charlie Challenge on social media which facilitates participation in dangerous occult practices. Be advised: there is no such thing as innocently playing with demons. The Catechism reminds us in paragraph 2116: “ *All forms of divination are rejected: recourse to Satan or demons, conjuring up the dead or other practices falsely supposed to “unveil” the future. Consulting horoscopes, astrology, palm reading, interpretation of omens and lots, the phenomena of clairvoyance, and recourse to mediums all conceal a desire for power over time, history, and in the last analysis, other human beings, as well as a wish to conciliate hidden powers. They contradict the honor, respect, and loving fear that we owe to God alone.*”
